***COMMON THEMES FROM THE WORK GROUPS TO APPLY TO THE TMP***

**1. Placemaking**

- ✓ The TMP should support the idea of creating places and facilitate travel between places by all modes of travel.

**2. Internal transit circulation**

- ✓ The TMP should develop policies to make transit ridership more accessible and time competitive for local trips.

**3. Pedestrian connections and street crossings**

- ✓ The TMP should address the need for additional pedestrian facilities, especially in the Overlake area.

**4. Regional Fixed Guideway Transit**

- ✓ The TMP should develop policies that support intermodal connection to Regional Fixed Guideway Transit Hubs.

***OTHER THEMES TO CONSIDER IN THE TMP***

5. Transportation improvements that add "beauty" to Redmond and break down barriers to travel
6. 166<sup>th</sup> Ave NE as a corridor for pedestrian, bicycles, and transit
7. Multimodal travel in the BNSF corridor
8. Transportation services for seniors, teens, and persons with disabilities
9. Using streets in Redmond for multimodal travel
